➤ **Pre-subscribed Interexchange Carrier Charge**

The Presubscribed Interexchange Carrier Charge (PICC) is a monthly recurring charge applicable for each long-distance access line. The line status determination is based on available MTA and/or incumbent local exchange carrier information. If MTA cannot determine the line status based on available information, the multi-line charge applies. This charge is considered jurisdictionally interstate and is subject to the Federal USF Surcharge.

The assessment for this charge is shown in the table below:
